

## REGISTRATION INFORMATION 2020-2021

**In-House Registration:** **Face covering will be required and we will be practicing social distancing.**

**Registration Dates:** In an attempt to register students for this school year in the safest manner possible we ask that you please follow the guidelines below for each grade. **Students will only receive their class schedule on the scheduled date for their grade.** If you are not able to attend on the correct date, you will need to pick your schedule up the following week or the 1<sup>st</sup> day of school.

Please make sure you have completed the **ONLINE REGISTRATION** for your student prior to the in-house registration. Info was sent home with the 3<sup>rd</sup> quarter report cards for your online account, so you may have already taken care of it. Computers will be available during registration if needed, however this will drastically slow down your registration time.

**Parking Pass:** please print off and fill out the parking **application** found under the “Parking” tab and bring that to registration with you if you plan to purchase a parking pass. ALL on campus parking requires a pass. Forms will also be available at registration, however you will have to have your license & insurance info with you to fill out the form completely. Passes are \$10.00 for the entire year.
