TFSD Parents/Families

Dear TFSD Families, Please remember that the annual student information update is now open. You should have received an email from powerschool@tfsd.org with information about how to access your student's information form. If you did not receive the snap code, you can also access the information update forms by logging into the PowerSchool Parent Portal. The information forms are located on the lower left side of the parent portal. Completing the annual student information update is important because it provides the TFSD with an accurate idea of how many students will be attending TFSD schools in the fall, which allows us to make sure staffing levels match enrollment numbers. For families currently participating in the TFSD distance learning options (Twin Falls Virtual School House also known as Venture or Idaho Digital Learning Academy also known as IDLA), this is a good time to indicate if you plan to return to in-person instruction and if so, at which school they would attend. If you have already completed the information update form, THANK YOU! Completing the annual update ensures that our school system can run smoothly in the upcoming school year. Best, Eva Craner Public Relations Director 208-732-7508

YEARBOOK

Exciting news about the Canyon Ridge High School yearbook! They are on their way!!! We're handing them out starting on Monday, May 3, for SENIORS! Everyone else will get their books on Wednesday, May 5th. But here's the BIGGER news-- This year more than ever, the yearbook is about YOU. YOUR stories and YOUR photos, YOUR way. This year OUR school, using cutting-edge new technology, has a new feature— When the yearbook comes out, you'll be able to scan the portraits in the printed book using your phone and digitally unlock each student's 10 favorite pics they submitted. Plus, you can add photos to a variety of School Life topics like sports, activities, etc. Check out how it works here. NOW is your chance to be in the book how YOU want to be in the book! Don't be left out! Upload your favorite pics today at ybkplus.com! Remember to use your MYTFSD email for verification. The yearbook staff has worked very hard to make sure we've documented this historic year. You are definitely going to want this book! YOU are in it! If you haven't already purchased your yearbook, time is running out! You can still purchase your book by CLICKING HERE until we run out of books! Looking forward to seeing you next week! The Riverhawk Publications Staff

Parents

Parents, please make sure you check your student fines. You will get an email from the District Office on fines. Our bookkeeper will be adding more this week and next. Please make sure if they are athletes they turn in their uniforms and pay all fines. All students need to turn all books in to their class and to the library. IF they are seniors and have a fine, they will not receive their diplomas until they are paid! Thank you!

National Guard

National Guard instructors will be on our campus next Tuesday and Wednesday during lunch. Sgt. Pak and Sgt Fallos will be providing information about a new Military Leadership program to be offered at CRHS this fall. Students in grades 9-12 can enroll in the program and earn elective high school credits during the normal school day. See your counselor for more information. Registration is open now.

Library

Summer is almost here! Reminder: all library books are due Monday, May10th. Books not returned are marked as lost and subject to a replacement fee for the price of the book. Thank you so much for your help!
