

SP Task 7: Review Requirements of Senior Project and Continue Building Portfolio.

Re: Senior Project Requirements (updated 9/23/21)

Seniors of the Class of 2022:

Requirements for 30-Hour Senior Project:

Senior Project Portfolio

Section 1: Completed Project Proposal (with other required documents completed junior year)

Section 2: Completed Project Journal (with both required mentor evaluations and a self-evaluation)

Section 3: Completed Research Paper (with passing grade on rubric)

Section 4: Successfully Passed Portfolio Rubric, Open House Rubric, and Presentation Rubric (with a thank you note to mentor)

Senior advisors will see that seniors:

- Complete all the sections of the Senior Project Portfolio Checklist.

Go forth and do well. The more you put into this **Life-Ready Leadership Experience**, the more you will get out of it. Your project has the opportunity to change your life—to make you more confident and more ready to face the world after high school...if you are successful in completing it in a way that is meaningful to you. You get to decide. You get to choose what will be most interesting to you and helpful for your future.

Good luck,

Principal Kasey L. Teske, Ph.D.

12. Senior Project Portfolio Rubric

Name: _____ Advisor: _____

____ Title Page – the Title Page goes on or inside of the front cover of the binder.

***The binder must include dividers (with or without tabs) to separate each section.**
