PARENTS

Just a reminder, as there is a process to enroll your student into school, there is also a formal withdrawal process to unenroll them when they need to move somewhere else to attend school or training. If you need to withdraw your student from school for any reason, please contact the Registrar's office for you and your child to set up a time to do the withdrawal process. This includes

getting signatures from teachers and office staff and turning in Chromebook, charger, and any other books.

ACT

Students: If you haven't taken the ACT college entrance exam yet and want to do so, here is your last chance for the year. The last date for this school year is June 11th, with a registration deadline date of May 20th. You can register at ACT.org or see the Registrar for more details.

Parking Lot on Game Days

Parents and Students, please remember on game days of softball and baseball we will ONLY allow entering into the parking lot at the ticket booth. The ticket booth when we have softball or softball and baseball together is at the first entrance into the parking lot. Exiting the parking lot will be at the furthest entrance by the softball fields. Parents picking up your student please do not park on the side of the east parking lot and the school. Sorry for the inconvenience during softball/baseball games. Thank you for your cooperation during games.
