Just want to send an FYI that during District Tennis this week on Tuesday and Wednesday the roads will be blocked to get out! If you come off of Cheney Drive you will not be able to turn left by the tennis courts. You will have to go right and either go through the parking lot between football field and school or to North College Road. If you park by the softball field or baseball field you will not be able to turn out to exit towards the tennis courts. (you will not be able to turn to the right to get out). That will be blocked off both Tuesday and Wednesday of this week! You must turn out towards College Road. This is for both students and parents that come to pick up their student/students. Thank you!
