

Senior Project Portfolio Requirements

The following is the order (and checklist) for your Senior Project Portfolio. It would be best to use dividers of some sort to ensure organization of your portfolio.

 - If you changed your project or paper you need to update your proposal forms with signatures.

 - Also be sure all parts of it are signed – you may use the original signature page from your first proposal if nothing has changed.
- **Project Section**
 - Project Journal
 - Self-Evaluation Form
 - Mentor Evaluation Forms (midterm and final)
- **Paper Section**
 - Research Paper (graded copy) with Works Cited page
 - Presentation Materials (optional)
 - Pictures, etc. of different aspects of the project (optional)
