

Open House

Open House Requirements

Purpose: The purpose of the open house is to give students the opportunity to PRACTICE for the Senior Project Boards. It also gives the community the opportunity to come in and see the wonderful work our students have done.

Before the Open House

- You are responsible for providing your own electronic equipment and materials
- Let your Advisory teacher know if you need access to a power outlet two weeks prior

During the Open House:

- A tri-fold display board—neatly done
- Evidence for both your paper and project should be on the display
- You might even display some statistics from your paper, challenges and successes.
- Pictures, other graphics, charts, etc.
- Dress professionally—you are representing the school.
- You must remain standing at your project during the **entire** open house.

After the Open House:

You may not leave until you have done the following:

- Clean up around your area
- Fold up the table at which your project was displayed
- Turn in your portfolio to the Senior Advisor

The Open House time and date will be announced in Advisory.
