TEACHER SPOTLIGHT

Amanda Moore

This week's Teacher Spotlight can be found in C hall where her students learn about the Earth and its processes. With an Associate's Degree in Engineering from Montana Tech and a BA in Secondary Education in Earth and Biological Science from Idaho State University, Mrs. Moore has been a teacher for 13 years. Currently in her 5th year at Twin Falls High School, she enjoys walking, hiking, and going on adventures near and far to look at rocks. An interesting fact about her is that she loves to travel and see new places/rocks, and uses her rock specimens she collects from around the world as decorations at her house. Married to a wonderful husband and having four great kids, she recently became a grandmother to a baby girl named Ellie who will hopefully someday be a Bruin.

ISAT TESTING

We are continuing our ISAT testing with our current juniors only. If your student missed one of their testing days we will need them to make sure they complete the test during one of our makeup sessions. Our testing coordinator will let them know when they can complete it. The state of Idaho requires that 95% of students complete the exams.

END OF YEAR ASSEMBLY/SENIORS LAST DAY

Just a reminder that the End of Year Assembly will be Thursday, May 4th. We will have the assembly in the morning. This will allow our students who are being dismissed early for activities the opportunity to participate in the assembly as well. Please encourage your student to attend as we will be giving out awards as well as having fun activities.

The senior's last day will be Wednesday, May 17th. If you have a senior please make sure they have paid all fines before the graduation ceremony. The ceremony will be the evening of May 23rd. If you did not receive my email listing the information for graduation, please reach out to me.

GOOD NEWS

Earlier in the year our very own Ms. Greenwood was selected as one of the Teachers of the Month for the Twin Falls School District. When this happens, the teacher is also in the running for Teacher of the Year. Good luck to Ms. Greenwood!

A congratulations goes out to Mr. Crozier and our jazz band, as they earned a Superior Rating in their first year as a class at the District Four Jazz Festival. A great accomplishment for him and his students. Way to go Bruins!

WEEKLY ACTIVITIES

Apr 24 DECA National Conference
Softball vs. Century
Bruinette Parent Meeting
Apr 25 DECA National Conference
Softball vs. Mtn Home
Tennis vs. Mtn Home
