TEACHER SPOTLIGHT

Kristofer Crozier

Our final teacher spotlight for the year is our exceptional Band Teacher, Kristofer Crozier. While in his first year at TFHS and second year overall as an educator, Mr. Crozier has made a great impact to our music program this year. Holding a Bachelor of Music in Music Education through Boise State University, Mr. Crozier is also a graduate of the Twin Falls School District. An interesting fact about Mr. Crozier is on top of his music degree he also used to be a licensed low-voltage technician. Mr. Crozier's family ties to Idaho date back to even before the state was founded, with his earliest family members living in the gem state since the 1850s. When asked what he likes about TFHS, Mr. Crozier responded that he has greatly enjoyed his students, his colleagues, and his admin team. Outside of the classroom, he enjoys going on walks with his fiancé and their corgi pup, as well as bike riding, hiking, and taking down a food challenge or two.

STAFF CHANGES

Twin Falls High School has always had a great staff, and with each passing year changes are inevitable. As this school year comes to a close, we are saying goodbye to some incredible individuals who made a lasting impact on the students at Twin Falls High School. Ron Withers (Spanish), Shannon Hyde (Special Education), and Landon Jones (Social Studies) are saying goodbye to us at the end of the school year. We want to thank them for all that they have done for the students at Twin Falls High School.

THANK YOU

As the Principal of Twin Falls High School, this is my last newsletter. I wish to thank each of you for raising such amazing kids and allowing us to be a part of influencing them to become great citizens and future leaders of our wonderful community. Over the last nine years at Twin Falls High School, I have met so many unique students, staff members, and parents. I look forward to seeing the incredible things the Bruins will continue to do in the future. It is a special school with a proud culture of academic achievement and great activities. Go Bruins!

GOOD NEWS

Our Bruin softball and baseball teams each won the District IV Championships. A shout out goes to the many students who were awarded certificates for Student of the Year at our last assembly. BPA and DECA students competed at National Conferences this year and brought home some hardware. Several of our Band, Choir, and Orchestra students placed at State Solo this month which is an extremely difficult achievement. Way to go Bruins!
