November signals colder mornings, college applications, and FAFSA prep, but it also marks the return of the CSI Men's and Women's basketball! CSI staff will be offering Launch support at CSI basketball games up until November 11, so please encourage students to support the Golden Eagles.

We're also hosting a special Sigue Adelante event for our Latino/Parent night, where we'll assist students in completing their CSI application and FAFSA ID on November 14th. Thank you all for everything you do!
