

# Boys Soccer

**Program goals:** The goals of the boys soccer program of South Hills is to help 7th and 8th grade boys develop positive attitudes, knowledge of team play, and strategies of the game of soccer. There is no experience necessary, but a positive attitude and a willingness to be coached are helpful. Winning and losing are not the measures of our success. Success is creating a cooperative, respectful environment and a lifelong love of the sport.

**Try-Outs:** Tryouts will be on Aug 15th and 16th 5:00pm -7:00pm. Please bring a ball, preferably cleats or athletic shoes, shin guards and a full water bottle. Also make sure to get plenty of water in your system the day before.

**Practices:** Practices for the season are held at South Hills Soccer Fields, from 4:00-6:00 starting on August 20th.

Date	Day	Opponent	Place	Bus Leaves
