

Football

Program goals: Welcome to the 2021 season of South Hills Middle School football! As we begin a new season we have the unique opportunity to set into place the expectations, culture, and way of doing things. As coaches we want to help establish the culture of excellence, pride, teamwork and most importantly having fun.

We invite 7th and 8th graders who are interested in playing football to contact us to gain more information. The overall focus of the program is to promote academic excellence. We want the athletes to be successful in the classroom. On the field we will focus on fundamentals and prepare players to be successful for the high school level. We use a scaffolding approach to building skills. As coaches, safety is our first priority.

Try-Outs: There are no tryouts for football however participants must have a current physical on file at the school.

Practices:
