## 6th Grade Registration 2023-2024

First Name \_\_\_\_\_

Last Name \_\_\_\_\_

Required classes for 6th grade: Math, Language Arts, Earth Science, Social Studies, Reading and Bear Essentials.

Placement for accelerated math is based on ISAT scores and teacher recommendation. Math is the only "honors" class offered in 6th grade.

Placement into extra help classes (Math 180 & Read 180) is determined by ISAT scores. These classes replace the student's elective.

Students that do not need extra help classes have one period of electives.

Choose your elective: Place an X in the column labeled 1st choice. You will choose an alternate elective by placing an A in the column labeled alternate.

Course name	Length	1st Choice - Put one X in this column	Alternate- Put one A in this column
