Student News

- 🐾 **Mark your calendars!** Family Fun Night has been rescheduled for Monday, February 6th from 5:30-8:00 pm.
- 🐾 **ISAT Prep:** This class is for students who were selected to improve their ISAT scores with minor intervention. The class will focus on test-taking skills, preparatory aspects related to the ISAT, and testing aspects related to science, reading/writing and math. It will run each Tuesday and Thursday from 3:00 to 4:00 p.m. in room A-32. Transportation will be provided for those students who need it. See Mr. Hilles if you have questions.
- 🐾 **Credit Recovery:** This class is for any student who has lost credit due to failing grades or attendance. Students have been assigned a teacher who will work with them as they complete the work needed to recover their credit. The class will run each Tuesday and Thursday from 3:00-4:00. Students must meet all requirements to receive their Semester 1 credit. The instructors are Mrs. Frost A-31, Mrs. McFarlin B-16, and Miss Carter B-17. If you have questions about this class, please contact Mrs. McFarlin.
- 🐾 **Announcing Teacher of the Month Program.** Each month, October-March, a secondary and elementary teacher is selected from the nominations we receive during the year to receive our **Teacher of the Month Award**. It is an easy process, and if you look at the website, and click on the Nominate a Teacher tab, it will explain everything. Each teacher who receives the honor gets \$100, a hand carved apple, and also is our guest to the Red Apple Gala in April. One of these distinguished individuals will be named TFSD Education Foundation Teacher of the Year, and represent TFSD at the state level for Idaho Teacher of the Year. This is our

way of recognizing teachers who go “above and beyond” for our students. I know you have outstanding teachers in your buildings, but we are not getting many or even any nominations from your buildings. Anyone can nominate an outstanding teacher; a student, a colleague, a parent, a friend, etc. You just can’t nominate yourself! We are encouraging you to share this with your PTSO, on your websites, with your parents, your students, your staff, everyone! We want to see your buildings represented! For more details go to <http://twinfallsschoolfoundation.com>.
