

O'Leary Middle School Pep Club

Permission Form 2017-2018

The purpose of the Pep Club is threefold: **1) Support various school activities and functions throughout the year through appropriate and constructive demonstrations of school spirit, **2)** Help students connect with and maintain new and lasting friends, and **3)** Make new or potential students feel welcome and happy to be at our school. By participating in the club, students assist in achieving this goal each year.**

OFFICIAL RULES:

By joining the school Pep Club, you agree to the following:

1. Your parents/guardians **must know** that you are planning to stay for Pep Club each week that we meet. They must also know where you are going after the meeting concludes for the day (even if you're going home).
2. **Appropriate behavior** is expected at all times. If you cannot behave in a respectful and positive way to others, Pep Club is not for you.
3. Be able to **meet weekly** after school from 4:00-5:00 PM, in Mr. Dahle's classroom (A-41). This will usually happen on **Fridays**, or the last school day of the week, unless otherwise posted. (*End time may fluctuate.*) Check In will be from 3:50-4:00 PM with meeting starts at 4:00PM.
4. You will keep your project area **clean** and help **tidy** up after each meeting. Intentional waste of supplies, careless making of messes, etc. shall not be tolerated and, if done repeatedly, shall result in permanent dismissal from the Pep Club for the rest of the school year. (Reapply next year to come back in).
5. **Mr. Dahle has the final say** on all things regarding the Pep Club's inner functions, including membership, project ideas, and leadership structure. (A lot of the activities we do during the year are actually at the mercy of Student Council's approval...so Mr. Dahle likes ideas that would likely be supported by them also...).
6. You are required to **maintain a "C" average** (75%) or higher on **all your classes** at school in order to participate in Pep Club. You shall **not** participate in the regular meetings until your grades meet the standard expressed by this rule. Grades will be checked every other week. **Study hall option* becomes available during club time.

FUN Features of Pep Club:

- FUN School-wide activities during the year. (Yes, we actually plan and perform them ourselves...it's a huge job!)
- FUN Leadership opportunities within the Club.
- FUN Designing and drawing signs for school activities and functions, great and small.
- FUN Contests for treats after most meetings.
- FUN Making of friends, because why not?
- No dues, fines, or fees—other than a cheerful attitude, friendly behavior, and a fist-bump/high-five.

Questions? Please contact:

Mr. Dahle, the OMS Pep Club Staff Advisor/Benevolent Dictator

Email: dahleti@tfsd.org Or walk in and visit room A-41 after regular school hours.

Joining? Submit information to roster and return the form with signature.: <https://goo.gl/forms/L6UOrYFfDxBsqZAs1>

Please detach the portion below and submit it to Mr. Dahle in A-41 after it is filled out. (Digital copy available at:
