

TEACH-TO MONDAY

WEEK OF AUGUST 27-31:

P.A.W.S. FOCUS- WISE CHOICES ON BEING TARDY

Now that the students have had some time getting to know their schedules, the tardy policy will be implemented and our procedures are as follows:

- 1st tardy-Warning
- 2nd tardy-Detention
- 3rd tardy-1 day of PASS

Please remind students the importance of being on time and how it will impact them in the future when working in their career field. We work hard to be on time and available for the students to show respect and we appreciate them showing respect back by being on time and ready to learn for us!

Some may not know about the passing time, but when the music stops playing, students have 30 seconds to get to their destination. Hopefully this will help keep them on task during their breaks! Also, we are working on getting chimes done for each grade level that separates AR reading, PT, lunch and 4th hour since all are on different schedules.

6th grade teachers-we may need to give an extra few days for them to get used to their schedules...
