## Part 2b-

O'Leary Student Council Leadership Team members will be working on several projects that involve the whole school and will seldom get "Study" time during Prime Time. They will be asked to commit to leading, participating, and attending all of the activities. These could take place before, during and/or after school. Students would need to provide their own transportation to and from these activities, supplies, and chaperones when needed.

**If chosen for the Student Council Leadership Team, I give permission for my student to participate in extracurricular activities such as school socials, athletics events, family nights, fundraisers, Relay for Life carnival, Festival of Giving, O'Leary Walk-a-Thon, etc.**
