

## Dear Parent/Guardian,

At Google, we believe in the power of imagination and how it can change the world. This year's Doodle for Google theme is **"I care for myself by..."** and invites your child(ren) to open up their creative hearts and show us all the ways they nurture their bodies, minds and spirits. What are their favorite things to do that make them feel better when they're feeling down? How do they take a break? What activities make them feel calm or give them energy? What or who brings joy to their heart? It's up to your students how they interpret the theme, where they take it artistically, and what materials they use to create their unique doodle.

The contest opens **January 11, 2022** and goes through **March 4, 2022**. **54 students** will be named winners from their state/territory. Four finalists will win a **\$5,000** scholarship and one winning student will receive:

- A **\$30,000** college scholarship
- A **\$50,000** Google for Education technology package for their school
- Their artwork will be placed on the Google homepage for a day

We can't wait to see how this year's young artist's show how they take care of themselves.

Let's doodle!
