1. Really loved this class and your style of teaching! Thank you Alex!
2. Great Job!
3. Going to be honest this class is not my forte and I only took it because it is a requirement for my degree, but I couldn't imagine a better prof to take this course with then Alex. He's truly amazing.
4. AMAZING TEACHER . best teacher I have had.
5. Smaller Venture Design Studio groups – harder to work in this group size for extended period of time. Take away (partially) the availability aspect of group making sheet.
6. You are easily one of my best profs I've ever had.
7. Awesome!
8. I enjoy his style of teaching, it helped accomodate different styles of learning.
9. Great teacher, very passionate about the topic. I was sceptical if I would like this course when I signed up, but now I am enrolled in more Entr courses.
10. Great teacher, very easy to approach and extremely helpful. He made group work which I don't usually enjoy enjoyable.
11. This was my favorite class so far! Thank you for making this fun and I actually felt like I learned alot.

15. Alex is a great prof! Super supportive and helpful. Never gets angry or upset or frustrated - I think that would be impossible for him. It's obvious he loves his job and this topic! Always a pleasure to have passionate profs.
16. Alex is a great professor!
17. You're awesome Alex!
18. Alex is a great prof who makes this class extremely interesting and fun. Would definitely recommend this prof to others.
19. Alex is passionate, helpful, inspiring, and extremely knowledgeable. He is very innovative himself and I can't imagine anyone better for the course.
20. Very personable. I would find it useful to have a clearer outline of all the models which needed to be completed over the semester as I was often confused about what course work I needed to be completing at what time.
