TRANONTLIFE COMPENSATION PLAN DETAILS

- TranontLife Compensation Plan operates on a 'Paid to Grid' scale which is a commission scale based on the amount of commission advanced to TranontLife by the Insurance Carrier.
- TranontLife Agents are paid commission based on the rank achieved at time of policy submission (not when the commission is paid).
 - Example: A TranontLife Certified Agent submits a 2,400-point policy on February 1st and has achieved the rank of Director. The same agent achieves the rank of Senior Director on March 10th and the policy pays out on March 15th. The TranontLife Certified Writing Agent will be paid on the policy at the rank of Director, or the same rank achieved at time of policy submission. The same principle applies to TranontLife Referring Agents and commission over-rides paid to the upline Agents.
- TranontLife Certified Writing Agents rank advance by obtaining the specific team rank requirements or personal rank requirements (requirements must be met over a rolling 3 months)
- TranontLife Referring Agents rank advance by the associated rank achieved through the Tranont compensation plan.
- The TranontLife Diamond rank for Referring Agent qualifies the agent for the TranontLife Book Sale (must be a licensed agent). TranontLife Certified Writing agents must attain and maintain the rank of Vice President or above to qualify for the Book Sale.
- TranontLife Certified Writing Agents must maintain a Team that meets 1/4 of the position writing requirements over a rolling 3 months in order to maintain the obtained rank in a calendar year.
 - Example: TranontLife Vice President must maintain 3 active licenses in their team, 30,000 team points and 2,500 personal points to maintain rank of Vice President.
- TranontLife Certified Writing Agent Licenses as well as TranontLife Referring Agent Licenses count towards the Team License Requirement for the Certified Writing Agent rank advancement requirements.
- TranontLife Bonus Pools: Pool commissions are subject to the total paid points in each commission period and the number of shares in the pool. Pool commissions are calculated based on the individuals that qualify for the pool, the amount of paid points for the commission and the number of shares in the pool each commission.
