Sensory Disturbances

Noise from construction-related vehicles at the Valemount stockpile site.

Valemount camp security lighting impacts for residents on Whiskey Fill Road.

Clearwater resident complained about vibration from pipeline construction.

Trans Mountain follows up on light, noise and vibration complaints to confirm their relation to Project activity. Trans Mountain works to ensure compliance with bylaws and requirements. With respect to vibrations, fixtures rattling due to vibrations are common and, although the vibrations can be felt by people, impacts are nuisance/cosmetic and the structural integrity of homes should not be compromised.

Traffic

Project worker not obeying stop signs near Blue River.

Project-related speeding in Clearwater and Valemount.

Contractors have a Traffic Management Plan addressing public protection measures, access roads/routes to the construction site and Traffic Control Plans for each work zone. Trans Mountain follows up with the contractor to ensure traffic-related requirements are followed.

* Socio-economic topics related to community impacts only.
Data in this report is reflective of activities specific to active construction of the Trans Mountain Expansion Project. Data does not reflect Trans Mountain’s ongoing operations and maintenance or inquiries related to future construction activities.
† Inquiries from same individual/household on same topic are considered same inquiry. May be multiple inquiries on similar theme.
