

1. Shuffle cards and place face down in the center.
2. Each player places their centimeter cubes on various numbers on their number line. (They can place more than one cube on the same number.)
3. Players take turns flipping over two fraction cards at a time. Each player can decide to add or subtract the numbers on the cards. If their sum or difference is a number that they have a cube on, they get to remove the cube. If they have more than one cube on a number they can only remove one of the cubes.
4. When a player has removed all of their cubes, they say, "Bingo!" and win the game.

### How to Play:

- 1 set of fraction cards, cut apart
- Number line for each player
- 4 centimeter cubes for each player

### Supplies:

For 2 to 4 Players
