Faith for Tomorrow
Daniel G. Dugas
Based on the vision of Pierre Teilhard de Chardin and other theologians, as well as on modern thinking in psychology and sociology, the author presents a new articulation of faith in contemporary terms. An effort to keep the light of Christ alive for future generations. Paper, $2.95

What Are the Theologians Saying?
Monika Hellwig
With an introduction by Gerard S. Slovan
A lucid book for those who want to understand the changing focus in Catholic theology. It treats the basic questions theologians are considering today. They are not always the immediate practical questions, but the fundamental ones that must be asked before the practical ones can be solved. In his introduction, Rev. Slovan states that "Dr. Hellwig...reads her theologians with a clear eye and reports their views with a clarity of speech they might envy themselves." Paper, $1.50
