Resources in the Spirituality of Religious Life

When your study of spirituality has particular reference to religious life, turn to a publisher with your specialty at heart.

We’re the Claret Center for Resources in Spirituality. CCRS Publications, for short.

We publish the very latest studies in religious spirituality. Books like Leonardo Boff’s God’s Witnesses in the Heart of the World and John Lozano’s Discipleship: Toward an Understanding of Religious Life.

You can be certain of CCRS’s quality because we’re a project of the Claretian Fathers and Brothers, whose outstanding publications include U.S. Catholic, Salt., and Fides/Claretian Books.

So send for our free catalog today. There is no publisher better suited to your needs. CCRS Publications is the first systematic effort by a Catholic publisher to answer Vatican II’s call for communities to study the theology of spirituality, specifically as it relates to religious life.
