"Affiliate Links"

(How to make it look SEXY & ATTRACTIVE)

Tips:

- do not just post the lengthy url on your YOUTUBE video.
- do not use free url shorteners. they are very well known for spamming. You'll get kicked out from YOUTUBE for sure.

Instead, CREATE YOUR OWN DOMAIN

Steps:

- get your affiliate link
- think of a short, straight to the point domain name.
- create a list of domain names, so you have a wider option to choose from, after knowing what is AVAILABLE.
- go to GODADDY
- look for the 'Bulk Search' button
- stay with '.com' → it has more AUTHORITY.
- choose a domain name that has a strong call to action.
- look for GODADDY COUPONS to SAVE MONEY!
- look for the button that says 'GOT A PROMO CODE?'
- log-in to your account
