Fun Fold with 2 Inch Circle Punch Instructions:

Use any colored Cardstock and coordinating Designer Series Papers

On these two cards I used Melon Mambo Cardstock with Garden Impressions Designer Series Papers and Night of Navy with Tranquil Textures Designer Series Papers

Cut 8 1/2" x 11" cardstock in half lengthwise at 4 1/4"

Score at 4 1/4" and at 8 1/2"

Use 2" Circle punch and punch on the 8 1/2" score line as shown

Use coordinating cardstock and punch another 2" circle

Attach to the lower flap by adding adhesive to the bottom section only

On Whisper White cardstock punch out sentiment circle with 1 3/4" circle punch

Stamp Sentiment with coordinating ink

Cut Designer Series Papers or cardstock for the top flap (1) 4" x 4" and (1) 2 1/4" x 4"

On the 2 1/4" x 4" layer line up with the circle that you punched and draw a half circle with a pencil

Punch DSP or Cardstock layer with 2" Circle Punch

Another option is to punch both cardstock and DSP at the same time. I would not punch two layers of cardstock!

Add Whisper White layer with Snail for inside 4" x 4" and stamp sentiment
