A favorite for many cruise-goers and tourists, Ketchikan, Alaska, is a charming city located near the state's southeastern edge. A well-traveled fishing destination first used by Alaska natives, including the Haida, Tlingit, and Tsimshian peoples, Ketchikan became an important commercial hub for international fishing operations in the nineteenth century. The city has embraced its nickname, "The Salmon Capital of the World," and remains a popular site for commercial and sport fishing alike.

A plethora of totem poles, crafted by Native Alaskans, have been preserved by the city and comprise the largest collection of totem poles in Alaska. Visitors will spot totem poles while exploring the city's waterfront and main streets, but most are housed in Saxman Village or the Totem Heritage Center. Shopping, culture, and history abound in downtown Ketchikan, where art galleries, seafood restaurants, and the historic Creek Street are merely a short walk away.

Nature lovers will delight in the abundant natural areas that surround the city. A quick boat ride or flight provides stunning views of the alluring and majestic beauty of the Misty Fjords National Monument. The nearby Tongass National Forest boasts spectacular wildlife, which can be seen on hikes through Eagle Creek and the Alaska Rainforest Sanctuary. Those who seek adventure can zip-line, snorkel, or go off-roading in an all-terrain vehicle, all amidst the natural splendor of Alaska's lush forests. The possibilities in Ketchikan are endless!
