

Thank you for considering the Museum for your charitable giving!

The University of Arizona Museum of Art (UAMA) relies on individuals, foundations and corporate entities to support our outstanding exhibitions, education programs and other initiatives for a vibrant growing arts community in Southern Arizona. With your help, we will continue to provide the critical services and education to our students and community. Gifts can support many areas of UAMA, including exhibitions, educational programs, acquisitions, archives, public art and enhancement of the Museum's general operations.

Gifts of Cash and Securities

Derive financial benefits through tax deductible gifts to UAMA. Outright gifts of cash can be directed for immediate benefit to the Museum's greatest needs. Securities, likewise, hold possible tax deductions. Gifts may be designated to one of the appropriate funds established for the UAMA to fulfill the donor's intent for Museum support.

Planned Giving

With a planned gift to the UA Museum of Art, you ensure our community has access to inspiring art for generations to come. Each year, patrons of UAMA remember us in their estate plans. Bequests come in all sizes and in many forms, UAMA is deeply grateful for each and every one. Your bequest expresses your lasting commitment to the museum and contributes to the growth and ongoing success of the institution. When you provide for the UAMA in your estate plan, please let us know so that we can thank you now and recognize your intentions.

When making a planned gift to the UA Museum of Art, you will need the following information:

- Legal Name: University of Arizona Museum of Art
- Legal Address: PO Box 210002, Tucson, AZ 85721-0002
- Federal Tax ID: 86-6050388
- Type of Organization: 501(c)(3) nonprofit (via the UA Foundation)

Gift of Endowment

Create an enduring legacy. Endowment funds provide a perpetual stream of income to support the Museum's priorities and serve to help fulfill the Museum's ongoing vision and mission for future generations to have access to our collections. Donors may name a space in the Museum; establish named curatorial positions, exhibitions or internships, or support acquisitions or general operations.

Donor Advised Funds and Foundations

Supporting UAMA through donor-advised funds or private foundations can ensure your impact on increasing access to the visual arts and arts education. To determine the tax treatment of proposed contributions and any other restrictions that apply to these grants, donors should consult their donor-advised fund ("DAF") manager, tax advisors, and/or legal counsel.
