

## REGISTRATION FOR CITY/COUNTY ALERT SYSTEMS

The following jurisdictions in east Harris County have Alert systems that can send telephone, email and/or SMS text messages to homes and businesses within their jurisdictions. Community residents and business owners can register their contact information, including unlisted phone numbers, cell phones, VOIP phone, and email addresses by clicking on the link for the city and/or county where they live or work. You can also register at <http://www.911.org> for the Greater Harris County 9-1-1's Emergency Notification System which is a "Reverse 911" system used by multiple cities in Harris County. Questions? Call your Office of Emergency Management (OEM) phone number during regular business hours.
