

PUBLIC TESTING INFORMATION

Local public health agencies are working together to provide high risk groups public access to COVID-19 testing.

TEST RESULTS

The United States Public Health Service (USPHS) will contact you with the results of your test

- In 3 to 5 days, you will receive a call from **1-833-447-0001**. The caller ID may say "Results Center"
- Please answer the phone when **1-833-447-0001** calls. They can not leave a message to protect your privacy
- The USPHS will attempt **TWO follow up calls**, if you do not answer
- If you have not received your test results in 7 days, you can contact your local health department

ONLINE TEST RESULTS

You may also access your test results online through a patient lab portal.

For the Baytown Testing Site: If you received testing at the Baytown location, you can access test results online through Quest Diagnostics

How to access test results through Quest Diagnostics

- Go to www.Myquestdiagnostics.com
- Create a new account or sign in to an existing account
 - New account requires: Full Name, Date of Birth, Address and 10-digit phone number
 - Existing account requires: Username and Password
- Results are available on the Quest patient portal 48 hours after results return from laboratory

For the Katy Testing Site: If you received testing at the Katy location, you can access test results online through LabCorp.

How to access test results through LabCorp

Go to www.labcorp.com/results

- Register for an account or sign in to an existing account
- New account requires: Full Name, Gender, Date of Birth, Address, Phone Number, Email Address, and Social Security Number
- Existing account requires: Email address and Password
- Results are available on LabCorp patient portal 2 business days after your results return from laboratory
