*** Please note the location of each meeting**

The focus of these meetings will be to update the SPR for the core capabilities listed above.

*While we have identified a “targeted” group, there is definitely cross discipline importance so we encourage all SMEs to attend as many of these meetings as possible.

Please [register \(https://goo.gl/BRMIDo\)](https://goo.gl/BRMIDo) for security purposes.

The next round of meetings will be held in November; more information to follow.
