

Regional Training

A 1-hour webinar on regional initiatives.

Whether you're new, or have been working in this area for years, you can review the regional plans available to enhance partnerships in preparedness for emergency response and recovery.

This training is intended for planners, responders, and anyone working with emergency management, including governmental, non-governmental, public and private sector stakeholders in the 13-County Houston-Galveston Area Council (H-GAC) Region.

Registration Link

<https://houstonuasi.com/regional-training-registration-2021/>

By the end of training, participants will be able to identify regional plan scope while obtaining a basic understanding of regional entities and plan activation triggers.
