

## **Homeland Security Executive Education Seminar Conducted by the CHDS Mobile Education Team**

Dear Valued Preparedness Partner,

You are invited to join me for a half-day **Homeland Security Executive Education Seminar** on **Thursday, March 1<sup>st</sup> from 8:30 a.m. to 12:30 p.m. at the Gus George Law Enforcement Academy of Fort Bend County.** Coffee, light morning refreshments and networking will begin at 8:00 a.m.

The Naval Postgraduate School (NPS) Center for Homeland Defense and Security (CHDS) has developed a multimedia scenario-based seminar to explore homeland security risks and challenges threatening our Fort Bend County. The content has been designed specifically for our jurisdiction to help strengthen our capability to plan for, prevent, respond to and recover from catastrophic events and terrorism. As top level officials responsible for the safety of our Fort Bend County, discussions will focus on homeland security policy and strategy at the county organizational level.

This educational seminar will be facilitated by the CHDS Mobile Education Team (MET) comprised of nationally recognized subject matter panelists. Roundtable discussions will take place in a non-attributive and neutral forum where we can identify and address dynamic homeland security issues.

In an effort to cultivate a trusted atmosphere for open dialogue, this seminar is a closed-door session, and participation at this event is by invitation only.

Please [RSVP here](#) no later than **Friday, February 23<sup>rd</sup>** to secure your seat at the table. All participants and observers must RSVP.

I have asked Jeff Braun, Emergency Management Coordinator to coordinate all aspects of this seminar. Please refer all questions to Jeff Braun, [jeff.braun@fortbendcountytexas.gov](mailto:jeff.braun@fortbendcountytexas.gov).

I look forward to your participation at this seminar.

Sincerely,
