

# Separating Your Debris

Debris should be placed curbside, without blocking the roadway or storm drains.

## NO PICKUP ZONE

Any debris placed from the sidewalk toward your property will not be picked up.

## DEBRIS SEPARATION

Separate debris into the six categories shown below.

Placing debris near or on trees, poles, or other structures makes removal difficult. This includes fire hydrants and meters.

If you don't have a sidewalk, ditch, or utility line in front of your house, place debris at the edge of your property before the curb.
