To our stakeholders:

Deloitte Touche Tohmatsu Limited (DTTL) recognizes that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

DTT is currently working to complete its corporate responsibility report, which will serve as our Communication on Progress. The launch date for this report is currently scheduled for early December.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website no later than 15 December 2010.

Sincerely,
Julie H. Engerran
Director, Corporate Responsibility
