Dear Mr. Secretary General
Dear Stakeholders

I am pleased to confirm that Bisnode AB reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

We recognize that a key requirement for participation in the UNGC is the annual submission of a Communication on Progress (COP) which is attached, and as in the previous year, will be uploaded to your website.

In our third annual Communication on Progress, we describe our actions to integrate the Global Compact and its principles into our business strategy, culture and daily operations. We are also committed to share this information with our stakeholders using our primary channels of communication.

Sincerely yours,
