Dear Mr. Secretary-General,

I am pleased to confirm that Eliq AB supports the Ten Principles of the United Nations Global
Compact on human rights, labour, environment and anti-corruption. With this communication, we
express our intent to implement those principles. We are committed to making the UN Global
Compact and its principles part of the strategy, culture and day-to-day operations of our company,
and to engaging in collaborative projects which advance the broader development goals of the
United Nations, particularly the Sustainable Development Goals. Eliq AB will make a clear statement
of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual
submission of a Communication on Progress (COP) that describes our company’s efforts to
implement the Ten Principles. We support public accountability and transparency, and therefore
commit to report on progress within one year of joining the UN Global Compact, and annually
thereafter according to the UN Global Compact COP policy. This includes:

- A statement signed by the chief executive expressing continued support for the UN Global
  Compact and renewing our ongoing commitment to the initiative and its principles. This is
  separate from our initial letter of commitment to join the UN Global Compact.
- A description of practical actions (i.e., disclosure of any relevant policies, procedures,
  activities) that the company has taken (or plans to undertake) to implement the UN Global
  Compact principles in each of the four issue areas (human rights, labour, environment, anti-
  corruption).
- A measurement of outcomes (i.e., the degree to which targets/performance indicators were
  met, or other qualitative or quantitative measurements of results).

Sincerely yours,

Mr. Håkan Ludvigson
CEO/Executive Director
