Dear Mr. Secretary General,

I am pleased to confirm that Development Goals Forum supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our partners and the general public.

We also pledge to participate and engage with the UN Global Compact in the following way: Collaborate on our week-long festival called DGF2020, and through that educate the general public about the ten principles of UN Global Compact.

We recognise that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organisation’s efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Hamsika Premkumar
Chief Executive Officer at Development Goals Forum
