

TOGETHER WE RISE

RECOGNITION DAY EVENT
JANUARY 16 2021

At Unicity, we believe that it is our mission to Make Life Better. Each day, we make a difference in the world by building leaders who build others in return. We believe that the world needs devoted leaders who are dedicated to learning and sharing their knowledge.

This is the reason why the Recognition Event is an important day for us. Every effort, hard work, and dedication to becoming a devoted leader is worth celebrating! It is also a time to spur the passion within and overcome every limit set before us.

As the theme states, let's RISE to become better and more effective than before. Join us as we meet new achievers, celebrate promotions and set new records together!
