

# UNICITY CHLOROPHYLL POWDER

Unicity's Chlorophyll Powder provides a rich source of chlorophyllin, a water-soluble form of chlorophyll traditionally used as a natural cleanser for the body.

Chlorophyllin supports overall health by purifying the bloodstream from pollutants in the air we breathe, as well as defending the body against oxidative damage from free radicals.

## Benefits

Acts as an excellent antioxidant which binds with free radicals and pollutants to protect the body from oxidative damage and supports the immune system.

Cleanses the body internally while reducing urinary and fecal odour.

## Suggested use

Add 1 level teaspoon to 240ml water . Mix thoroughly.

Consume once per day.  
May be taken at any time of the day.
