

# UNICITY PARAWAY PLUS

Boost digestive health by enhancing your digestive processes with Paraway Plus, a unique and comprehensive herbal formula which regulates bacteria in the gut.

The herbal blend helps support a healthy microbiome by removing toxins, waste and unwanted organisms from the digestive tract, as well as providing relief for common intestinal issues such as infections, cramping, and flatulence.

## Benefits

Supports the elimination of harmful parasites and pathogens with herbs such as black walnut, pumpkin seed and clove.

Peppermint soothes the digestive tract, helping to relieve intestinal cramping and flatulence.

## Suggested use

Consume 2 capsules with a glass of water (first 10 days).

Consume 5 capsules with a glass of water (next 20 days).

Do not exceed 5 capsules a day.  
Not for long term use.
