Welcome to the LSA!

We are delighted to welcome all of the first-year law students joining us, as well as our fellow returning students. The 2014/2015 Who's Who is a handy student directory that is given to all members of the LSA. This wonderful book can help you remember the names of all the other students you have met in class, in the gavel, or at one of the many fun-filled LSA events. First year students will soon find it extremely useful in finding a friend to bum notes off of because you missed class (whatever your alibi). For those who wish to use this little book for more "personal" purposes, we wish you the best of luck in meeting that someone special - without condoning that sort of thing.

The LSA would like to thank all of our wonderful sponsors who have once again afforded us the opportunity to put out this directory. We would also like to thank Dharam Dhillon & Winta Asefaw (VP Services) for all their hard work putting this together. We hope you find the 2014/2015 Who's Who useful and entertaining, and we wish every student a successful year! Feel free to get a hold of any of us or swing by the LSA office during office hours if you have any questions, comments or concerns.

All the best in the upcoming months.

Cheers!

Your 2014/2015 LSA Executive
