

## LSA Minutes

October 17, 2018

### 1. Student Services

- a. Rae
  - i. Heading up Students Service and ready to build whatever students need
- b. Karlyn
  - i. Trying to streamline the administrative process i.e. events and room booking
    - 1. The LSA needs to buy into the process and communicate any issues with the process
  - ii. Also ready to provide student support and looking for ideas for student value
  - iii. Law groups still need to do SGS and EOT
    - 1. The process could potentially be streamlined

### 2. PRESIDENT

- a. On behalf of the Kim: Dean's list for part-time students/students missing a semester?
  - i. Currently not awarded medals or eligible for the dean's list
  - ii. Discussion: We could treat part-time students and students missing a semester as different issues
    - 1. Taking a semester off for medical/family reasons would be a reasonable exception
  - iii. Externships and Moots as credits should be fine
    - 1. Transfer students and Externships: Different school standards create possible inconsistencies
    - 2. Moots: The workload and process are a fair substitute
  - iv. Project to make the Law building more accessible e.g. Door Openers/Brail on the door numbers
    - 1. Tony and Courtney will be heading it up
