Eligibility and Cost

All traditional undergraduate students registered for six or more credits at MU and all international students are required to carry health insurance and are automatically enrolled in the student health insurance upon class registration.

Students who already carry comparable health insurance can waive the student health insurance if they are registered for classes and their current coverage meets or exceeds the following requirements:

1. Provides coverage for medically necessary care (accident and sickness) in the Portland, Oregon, area. (HMOs providing emergency coverage only or accident only plans do not meet this requirement.)
2. Will remain in force throughout the academic year.
3. Provides coverage for prescription drugs.
4. Provides inpatient and outpatient mental health coverage.

Students who do not waive the coverage by the waiver deadline will be automatically enrolled on the plan, and the premiums will be charged to the student's tuition billing account at Multnomah University each semester, fall and spring.

For new and returning traditional undergraduate and international students in the fall 2020 semester, you must waive the coverage by the deadline or you will be automatically enrolled in the coverage and the insurance premium will be charged to your student account. **The Fall waiver deadline is September 11, 2020.** The waiver form can be submitted online at Multnomah.formstack.com/forms/waiver. Contact Student Life with questions.

All graduate, seminary, and DCP students are strongly encouraged, but not required, to purchase Student Health Insurance. To enroll visit enroll.PacificSource.com/mymultnomah. Payment is due at time of enrollment. Enrollment deadlines are listed in the table below.

Please note: Graduate, seminary, and DCP students must re-enroll each semester. Premium is to be paid directly to PacificSource at time of enrollment via credit card, debit card, or bank withdrawal.
