

**CHARTER OF THE
AUDIT COMMITTEE
OF THE BOARD OF DIRECTORS OF
FS INVESTMENT CORPORATION IV
ADOPTED AS OF MARCH 8, 2017**

The board of directors (the “**Board**”) of FS Investment Corporation IV (the “**Corporation**”) has determined that the Audit Committee of the Board (the “**Committee**”) shall assist the Board in fulfilling certain of the Board’s oversight responsibilities. This Audit Committee Charter (this “**Charter**”) establishes the governing principles of the Committee.

I. Purpose

The purpose of the Committee is to serve as an independent and objective party to assist the Board in fulfilling its oversight responsibilities for the Corporation’s accounting and financial reporting processes and the audits of its financial statements by overseeing and monitoring:

- 1) The quality and integrity of financial reports and other financial information provided by the Corporation to governmental bodies or the public and the independent audit thereof;
- 2) The preparation of the disclosure required by Item 407(d)(3)(i) of Regulation S-K (“**Regulation S-K**”), promulgated under the Securities Act of 1933, as amended (the “**Securities Act**”) and the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”);
- 3) The Corporation’s system of internal controls regarding finance, accounting and regulatory compliance;
- 4) The material aspects of the Corporation’s accounting and financial reporting process generally;
- 5) The independence, qualifications and performance of the Corporation’s independent registered public accounting firm (the “**Independent Accountants**”), including the lead audit partner;
- 6) The compliance by the Corporation with applicable legal and regulatory requirements; and
- 7) The performance of the Corporation’s internal audit function and the Independent Accountants.

The Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section V of this Charter.

II. Scope

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Corporation's financial statements are complete and accurate or prepared in accordance with generally accepted accounting principles ("**GAAP**"). The responsibility to plan and conduct audits is that of the Independent Accountants. In fulfilling their responsibility, the Independent Accountants are ultimately accountable to the Board and the Committee. The Corporation's management has the responsibility to determine that the Corporation's financial statements are complete and accurate and prepared in accordance with GAAP. It is also not the duty of the Committee to provide assurance of the Corporation's compliance with laws and regulations or compliance with the Corporation's Code of Business Conduct and Ethics. The primary responsibility for these matters also rests with the Corporation's management.

In order to fulfill its oversight responsibility, the Committee must be capable of conducting free and open discussions with management, the Independent Accountants, internal auditors, employees and others regarding the quality of the Corporation's financial statements and system of internal controls.

III. Membership Requirements

The Committee shall be comprised of three (3) or more directors as determined by the Board, each of whom must:

- 1) be an independent director in accordance with the requirements of Rule 10A-3 of the Exchange Act and the independence requirements of the New York Stock Exchange, LLC ("**NYSE**") applicable to business development companies, and free from any material relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee;
- 2) be "financially literate," as such qualification is interpreted by the Board; and
- 3) have a basic understanding of finance and accounting practices and shall be able to read and understand financial statements. Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Corporation or an outside consultant.

The members of the Committee shall meet the requirements of all applicable laws, rules or regulations, in each case, when, as and to the extent applicable to the Corporation, including the rules of a national securities exchange. In addition, at least one (1) member of the Committee shall have accounting or related financial management experience, as determined by the Board. Any member of the Committee who satisfies the definition of an "audit committee financial expert" as defined in Item 407(d)(5)(ii) of Regulation S-K will be presumed to have accounting or related financial management expertise.

No member of the Committee may serve simultaneously on the audit committees of more than three (3) public companies, unless the Board determines that such simultaneous service would not impair the ability of such member to serve on the Committee effectively. If such a determination is made by the Board, the Corporation must disclose such determination on its website, in its annual proxy statement (if any) or in the Corporation's annual report on Form 10-K filed with the Securities and Exchange Commission ("*SEC*").

The members of the Committee shall be elected by the Board annually or until their successors shall be duly elected and qualified. Unless a Chairman is elected by the Board, the members of the Committee may designate a Chairman by majority vote of the full Committee.

IV. Meetings and Procedures

The Committee shall meet at least four (4) times each year, or more frequently as circumstances require. The Chairman of the Committee may call a Committee meeting whenever deemed necessary and shall be responsible for meeting with the Independent Accountants at their request to discuss the Corporation's financial results. The Committee may request any officer or employee of the Corporation, the Corporation's outside counsel or Independent Accountants to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

The Committee shall meet separately, and periodically, with management, personnel responsible for the Corporation's internal audit function and the representatives of the Independent Accountants, and shall invite such members to its meetings as it deems appropriate, to assist in carrying out its duties and responsibilities. However, the Committee shall meet regularly without such persons present.
