ADMIN NEWS

Use Corporate Credit Card to Best Manage Company Expenses

To best manage company expenses, the use of an Vision corporate credit card is required for all business expenses whenever possible. Visit the [Vision Corporate Card Website](#) to view card availability in your country.

- The card is to be used for business expenses only; personal use is strictly prohibited.
- Failure to use the card can delay reimbursement of business expenses.

What did you just see?

- Simple
- Current
- Productive

What did you just see?

- Is this Fusion or something else?
- How did Oracle build it? (ADF)
- What devices is it available on?
- Are you going to do this on a smart phone?
- When can I get it?
- Are you going to have a beta program?
- How much will it cost?
- Can I extend this?
- How does this co-exist with my existing apps?
- Are you going to do product-specific modules?
