

Drive-Up Testing Instructions:

If you need to schedule your test or reschedule to a new time: Call 214-645-5389 between 8 a.m. and 5 p.m.

Where to go: The COVID-19 Drive-Up Specimen Collection Site at Visitor Parking Lot No. 18 at Paul M. Bass Administrative and Clinical Center is located at 6363 Forest Park Road. Please enter through Treadway Drive, which is off of Forest Park Road. Look for the white tents between the Chase Bank and the Bass Building. This Site is open 7 days a week, 9 a.m. to 6 p.m.

What to bring: Please bring your UTSW ID badge and your driver's license. The testing center will accept a driver's license only if you do not have your UTSW ID.

What to do: When you get to the testing site, follow the instructions of security personnel, park and turn off your car, and the nurses will verify your identity prior to doing your test. Please note that the test is nasopharyngeal, which is uncomfortable. You can then leave the testing site and expect results within 24-48 hours. Please note that due to high volume, there may be some delay and we appreciate your patience with this process. The providers with Occupational Health are working in real time to deliver results promptly.

If arriving via bus, Uber, or walking to our testing site, please arrive at the northeast corner of the Bass Building/Forest Park Lane. For your safety, please do not walk through the other tent areas.
