Dear Prospective Volunteer:

Thank you for your interest in the UT Southwestern Medical Center's University Hospital Volunteer Program. Included in the adult volunteer packet are three forms which must be completed and returned to the Volunteer Services Department for processing of your application.

Make sure to review the references section and include two letters of references when you submit your application. (Pay close attention to the background check section and complete it in its entirety). Please record any instances you were convicted, plead guilty to, pled no contest (nolo contendere) to, or received deferred adjudication for a felony or a misdemeanor (other than for Class C misdemeanor traffic violations). If you need additional space, please use an additional sheet of paper. Answering “Yes” to either question will not automatically disqualify you from volunteering. (Misstatement, falsification, or omission of information in response to this question may be grounds for refusal to engage you as a volunteer). Lastly, make sure you complete the citizenship question. If you have non-immigrant status, for example E-1, F-1, H-1, or J-1; then your answer to this question should be “No”. Your application along with this information is submitted to our Human Resources Department and a link will be sent to you via email from our third party vendor “PreCheck” for completion of the background check. Please be sure to check your inbox and spam folder for receipt of this email and follow instructions to complete this process. This email should reference PreCheck.

Once completed, return your application via fax to 214-633-8795 or email UTSouthwesternVolunteers@utsouthwestern.edu. It can take 1½ to 2 weeks for HR to process your background check. Upon receipt of your background clearance, you will be contacted regarding the next steps for onboarding as a volunteer.

If you have any questions, please call (214) 633-4081. We look forward to working with you soon.

Sincerely,

Sherri W. Cooper
