Rebecca Thorpe, Associate Professor of Political Science, Department of Political Science, College of Arts & Sciences

Mary Wideman-Williams, Leadership and Organizational Effectiveness Consultant

Dear Colleagues,

Thank you for agreeing to serve on the search advisory committee to actively recruit and recommend candidates for the position of Dean of the Evans School of Public Policy and Governance. This search may involve both internal and external candidates. Mia Tuan, Professor and Dean, College of Education, will chair the committee. As you can see, the committee is composed of outstanding individuals from across the institution with a range of expertise. We seek a distinguished academic and a visionary leader for the Evans School of Public Policy and Governance who will work well with the UW community, including other academic units, public and non-profit partners, alumni, and donors to the School.

Enclosed is a copy of Executive Order 20 from the University Policy Directory, which sets forth the basic procedures for conducting a search for a dean. Also enclosed is a copy of a general job description for deans of central units. The University has a strong commitment to diversity, which I ask you to consider seriously as you recruit a pool of candidates. Please establish protocols for seeking the opinions and nominations from the broader UW faculty, student, and staff communities, as well as appropriate constituencies outside the University of Washington. At the conclusion of the search, the President and I would like to receive from you the unranked names of 2 to 3 highly qualified candidates.

We have scheduled your first meeting on June 24, 2019 from 10:00-12:00 in Gerberding 301. Please try to attend. I will attend a portion of the meeting to discuss my priorities and expectations for the position and the search. At this meeting we will also seek your input on a draft position announcement. We have engaged a professional search firm, Witt/Kieffer, to assist you in this search.

Thank you very much for accepting this important assignment.

Sincerely,

A handwritten signature in cursive script that reads "Mark A. Richards".

Mark A. Richards
Provost and Executive Vice President for Academic Affairs
Professor, Earth and Space Sciences
