1908-2008

Celebrating 100 years of UNITY, WISDOM, FRIENDSHIP, ACHIEVEMENT

Volume 17 Issue 4

March 2009

Celebrating Our Centennial

The highlight of the yearlong celebration recognizing the 100th anniversary of the founding of the Faculty Auxiliary in 1908 will be the upcoming Centennial Gala banquet on Sunday, May 3rd. Gala coordinators Kay Spelman and Tish Tukey are planning a very special event at the UW Club. Barbara Glicksberg, with the aid of today's online search tools, is assembling a list of former members to contact. Invitations will be mailed out soon. Because our Gala is on a Sunday, parking will be free. Transportation will be available.

The UW Men's Glee Club will provide the entertainment for the evening. The Men's Glee Club was revived in 2007 by Music Professor Steve Demorest after a 53-year absence.

Save the Date
Centennial Gala Banquet
May 3, 2009

Tish Tukey, gala co-chair, with members of the Centennial Planning Committee: Eva Hanzeli, Jane Halver, Mary Kenny, and Barbara Scattergood. The next committee meeting will be at 10:30 a.m. on March 10, at the home of Carol Hol.

*The new glee club, which now boasts 40 members, made its debut at the Nov. 17 Husky football game, where they performed with the band before the game and sang *The Star Spangled Banner* to open it.*

Interest Groups News

Music Appreciation

**Concert
April 1**

Our Music Appreciation Interest Group will present a concert at the UW Club on Wednesday, April 1, 2009. The University Club will be serving dinner that evening. The concert starts at 7:00 p.m. in the Helen Rohrbaugh Room at the UW Club. The concert is free, although reservations for dinner are required.

I am very pleased to announce that members of the UW Glee Club will perform for us. Professor Steven Demorest will present a program by "Custom Blend"- the small ensemble from the Glee Club- followed by some discussion with the audience.

Co-chair

Snelling Scholarship Recital May 6

The winner of the fourth annual Helen Crowe Snelling Music Scholarship will give a performance on May 6, 2009. The program is free and starts at 7:00 p.m. at the UW Club. The winner is a student in the School of Music nominated by Robin McCabe, Director, UW School of Music and chosen by the Music Appreciation Associates Committee.

Everyone is welcome. Bring a friend! Reservations for dinner before hand may be made by calling 206-543-0437. Please call Ester Baum at 206-527-4306 if you would like to go to the dinner but are not UW Club member.

I am happy to report that Washington state branch of the National Federation of Music Clubs recently presented the Music Appreciation Associates Committee with a grant of \$500 in appreciation of their music programs in 2008.

Co-chair

**Seattle Seattle
March 18**

Sara Throckmorton and Joe Vance will lead Seattle Seattle on a walking tour of the South Lake Union area on Wednesday, March 18th. Lunch is planned for Tutta Bella. Please contact Barbara Archbold at 206-363-2792 for details.

**Gallery Goers
April 15**

The Gallery Goers and Seattle Seattle group will be visiting the NW African-American Museum on April 15th. We will take the Bus # 48 from U District. Auxiliary members are welcome to join us. Please contact Mimi Wagar by April 8th, at 206-546-8251.

UWRA Travelogue Series

"Six Visits to Guanajuato"
Hellmut Golde
April 15, 7:30 p.m.

"Traveling in Tibet"
Tim and Betty Feetham.
May 20, 7:30

Travelogues are shown in the UW Club conference room. They are free and do not require reservations. However, if you would like to have dinner before hand at 6:00, please call the UW Club, 206-543-0437, by Monday before the event.

Board Seeks Nominations

Vera Wellner

We are looking for new people interested in joining the UWFA Board. Serving on the Board is a lot of fun. I find it quite rewarding to work with such talented and dedicated women. While most current Board members will continue to serve next year, we have a few openings: a co-chair to work with Ruth Eller in planning programs and special events and a chair in charge of publicity. If you have an interest or know of someone who you think will do a good job, please contact me, Vera Wellner, President, at 206 323-4007 or via email at v.wellner@comcast.net.

~Vera Wellner

In Memoriam

UWFA member Susi Neurath passed away at age 97 at her home February 6. Susi was active in the French Interest Group until age 95. While raising children, Susi earned bachelor and master degrees in Social Work at the UW and worked full time as a social worker at King County Juvenile Court. She had a lifelong love of outdoor sports that started as a girl in Vienna, Austria. Amazingly, she skied down Sun Valley's Bald Mountain at age 91. She was married to Hans Neurath, founding Chair of the Department of Biochemistry in the UW Medical School.

Century Circle

The many contributions from our members and friends to the Century Circle, established for this celebratory year, resulted in a tidy sum of \$ 9145. The money will be applied to full tuition scholarships for grateful UW students in 2008 and 2009. Scholarships will be particularly welcome in these trying economical times. The Centennial Planning Committee wishes to thank everyone who has contributed to making this special anniversary fund an enormous success. It would be great to reach an even \$10,000 by the Gala Banquet.

~Carol Hol

Change in Newsletter Publication Schedule

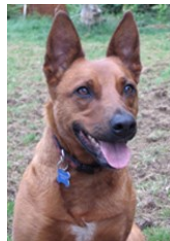

The UWFA usually publishes its newsletter five times a year: on the first of September, November, January, March and May. To be included, items must be sent to the editor by the middle of the previous month. However, the final issue of this year, the Centennial May issue, will be published on April 15 and items should be received by the editor by April 4th. This so that the Centennial Planning Committee will have an opportunity to reach members before the Gala.

Please send items for the newsletter to hadydej@comcast.net

Editor

Spring Lecture Series

**March 11
Dr. Sam Wasser**

Alli

The March lecture will feature Dr. Sam Wasser, a pioneer of non-invasive wildlife monitoring methods. Dr. Wasser developed the scat detection dog program. Having pioneered the development and application of many of the fecal-based hormone and genetic techniques that are widely used today, Dr. Wasser developed a sampling method that increases sample acquisition over remote areas. Modified narcotics detection dog methods are used to train dogs to locate scat from endangered species. Scat detection dogs are now being used to enhance sample collections over extensive and remote landscapes, for use in a wide variety of population-based genetic and physiological studies. Dr. Wasser is director of Center for Conservation Biology.

April 8

“Get Fresh with Local Foods”

The April lecture will feature Acacia Lawson. Acacia is dedicated to supporting local agriculture personally and professionally. Through her business, Home Grown Nutrition, Acacia teaches adults and families about nutrition and cooking with local and seasonal foods. She coordinates Harvest of the Season, a farm-to-school program that brings local produce into low-income classrooms and helps children learn about where their food comes from while preparing a healthy seasonal recipe.

Lectures are free and do not require reservations. However, if you would like to have dinner before hand at 6:00, please call the UW Club, 206-543-0437, by Monday before the event.
